

Sankranthi Bommala Koluvu

- Priya Bhargava

I love Bommala Koluvu (Doll Arrangements) at Sankranthi Panduga time. We have collected beautiful array of Bommalu from all over India. This year I created a park around a temple on the hill. The Bommalu Koluvu helps me recreate my visit to India. I went to my uncle's Pelli (wedding), a fair, a temple (Tirupati) which now are part of my Koluvu. On the day of Sankranthi we invite people over and end with a grand dinner with lot of delicious sweets and food.
