

It is a great honor and privilege to serve as the incoming President of Telugu Fine Arts Society. I would like to express my sincere gratitude to our members, volunteers, community leaders, and past leadership whose dedication and hard work have built a strong foundation for our community. Together, we remain committed to preserving and protecting our culture, traditions, and values. I have been associated with TFAS for the past 30 years, and served as the Secretary, from 2014 to 2016. And now as the President, my focus will be on conducting meaningful programs and initiatives that bring our communities together, encourage new talent and pave the way for a stronger generation to continue our culture. We are especially committed to creating opportunities for our youth and women through cultural and community service programs that encourage participation, growth, and empowerment. By investing in future generations, we will ensure that our heritage continues to thrive for years to come. I look forward to working together with all of you to strengthen TFAS, expand our outreach, increase memberships, and build a vibrant future for our next generations. With your continued support and involvement, I am confident that we will achieve great success together.

Yours

**Uma Makam
President (2026-2028)
